

INCOME ASSISTANCE SUMMARY SHEET

The Ministry of Social Development and Social Innovation (MSDSI) governs and delivers the Income Assistance program. If you are in need and have no other resources, you may be eligible for income assistance. This can help support your transition to employment. You may be eligible if you find yourself in any of these situations: out of work, waiting for other sources of money to arrive, can't work at all or urgently in need of food, shelter or medical attention. The ministry can only give available resources to people who meet eligibility criteria. You must look for and use all other sources of income and assets before you apply.

The application is a 2-stage process: 1. Self-Assessment; 2. Eligibility determination.
